

COUNCIL FOR THE NATIONAL INTEREST
WESTERN AUSTRALIAN COMMITTEE

INVITATION

TAXATION REFORM

A GST? - TO BE OR NOT TO BE?

WHO WINS? WHO LOSES?

WHAT ARE THE OTHER OPTIONS?

Australia's taxation system is unfair, complex and outmoded. It must be reformed. Will the Federal Coalition Government have the courage to do so? If yes, how? Will you be better-off or worse-off?

You and your friends and associates are warmly invited to hear Ms Nicky Cusworth, Chief Economist, Chamber of Commerce and Industry of Western Australia, outline all of the issues and answer your questions. Your views will be welcome.
