*** AS THE MARKETS ROLL ON
UNREGULATED WREAKING
FINANCIAL, ECONOMIC AND
SOCIAL HAVOC WILL AUSTRALIA
BE THE NEXT MELTDOWN?**

*** IS OUR SOVEREIGNTY AT RISK?**

Fred Argy, Secretary of the Campbell Committee, which recommended the deregulation of Australia's financial markets, said recently "Financial markets have become increasingly perverse, erratic, inconsistent and extremely arrogant - they think they should be dictating policy to Governments".

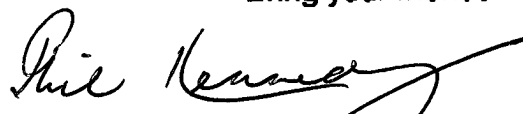

The Council for the National Interest warmly invites you to a public seminar at which these issues will be exposed by:
