AN AUSTRALIAN REPUBLIC

7.30 PM Wednesday 13th August 1997

SOUTH PERTH CITY HALL (LESSER)

SPEAKERS:

HON REG WITHERS, former Senator and Federal Minister has an unrivalled grasp of the workings of Australia's present system of constitutional government. As a leading member of the NO REPUBLIC Campaign Committee he is ideally placed to brief us on the dangers and pitfalls as he sees them of the proposed change to a republic.

MR GEOFFREY HOURN is the WA Convenor of Australians for Constitutional Monarchy (NO REPUBLIC Campaign Committee). He will explain the intentions and process expounded by the Federal Government leading to a Peoples' Convention and national plebiscite on the republic question.

THE CNI IS NON-PARTY POLITICAL

All recent surveys show plainly that most Australians know little of their constitution and how Government actually works. The CNI is sponsoring this mini-seminar for its members and others to help close the gap and treat serious things seriously.

Please encourage your friends to come.
