

# COUNCIL FOR THE NATIONAL INTEREST

6<sup>TH</sup> May 2018 SUNDAY FORUM

“THE COURT OF INJUSTICE”

SPEAKERS - DR AUGUSTO ZIMMERMAN  
MR RUSSELL GOODRICK

## SUMMARY - WEAKNESS OF PRESENT COURT ADJUDICATIONS

1. RESTRAINING ORDERS – NOW TOO EASILY OBTAINED (without evidence)
2. “NO FAULT” DIVORCE ( Justice Murphy 1975) –
  - The main factor involved is “easy” separation
  - Destroys contractual weight and obligations of marriage
3. PERVERSE INCENTIVES
  - (a) Malicious intent by one party too readily accepted without proof
  - (b) Results, rewards the most selfish person.
  - (c) No right of review for the aggrieved party.
4. MAGISTRATES RULINGS ARE FINAL
  - (a) Court Coat of Arms – MON DIEU ET MON DROIT – now a “mockery”
  - (b) Rulings often made with knowledge of deliberate wrongful accusations
  - (c) Cost of Litigation – too high against aggrieved party.
  - (d) Need to establish accountability – Punish Perjury.
  - (e) Custody should only be awarded to responsible /caring party.

## RECOMMENDATIONS TO FEDERAL ATTORNEY GENERAL (be included in current review process)

### 1. ESTABLISH - A FAMILY LAW COURT DECISION REVIEW TRIBUNAL

State Governments to appoint/maintain

Disputed Cases to be reviewed -  
after 2 years  
and 5 years  
beyond original decision

### TRIBUNAL POWERS

- (a) Prefer Perjury charges against any respondent
- (b) Revise or reverse custody/access to children
- (c) Intervene in administration of Violent Restraining Order Policy and direct changes be implemented by State Police
- (d) Recommend replacement of presiding Magistrates where performance in adjudication is less than satisfactory.

For discussion/decision or submission to Attorney General.
