COUNCIL FOR THE NATIONAL INTEREST

WESTERN AUSTRALIAN COMMITTEE

# Invitation

## Public Forum

**The Gillard Government's Carbon Tax, a tax on Carbon Dioxide CO<sub>2</sub>, is due to be implemented in Australia on 1<sup>st</sup> July, 2012. This is despite warnings from many prominent Australians that the Carbon Tax is not warranted, will not achieve any environmental gain and will severely damage Australia's economy and competitiveness at a time of Global financial uncertainty.**

**The Council for the National Interest invites you to attend a free Public Forum to be addressed by**

## James Delingpole

**James Delingpole is brilliant and witty UK writer with a background at The Telegraph. He is the author of *KILLING THE EARTH TO SAVE IT: How environmentalists are ruining the planet, destroying the economy and stealing your jobs.* (Connor Court Publishing – [www.connorcourt.com](http://www.connorcourt.com)) This book is Amazons number 1 best seller for global warming. Delingpole pulls no punches and tells it like it is. His address will be eye-opening, thought provoking and entertaining.**
